WORK EXPERIENCE

<i>Current</i> JULY 2012	Economist and Impact Evaluation Specialist Food and Agriculture Organization of the UN Inclusive Rural Transformation and Gender Equity Division (ESP) Support the design, implementation and impact evaluation of social protection programs in sub-Saharan Africa. Participate in the design of the survey instruments, training of enumerators, fieldwork supervision, data management and analysis, writing of reports and policy/research briefs and presentation to Governments. Coordinated and supervised research activities of up to five consultants working with the data collected. Main thematic areas of research: food security and nutrition, agricultural production, productivity and efficiency, labor supply
MARCH 2010 JULY 2012	Research Fellow University of York Centre for Health Economics (CHE) Carried out economic and quantitative analysis of the health sector: i) payment/reimbursement system of hospital inpatient activity ii) hospital performance, in terms of efficiency, productivity and quality. Managed complex administrative data: Hospital Episode Statistics (Admitted Patient Care, Accident and Emergency) and Reference Costs
MAY 2007 MARCH 2009	Econometrician Food and Agriculture Organization of the UN Agricultural Development Economics Division (ESA) Carried out economic and quantitative analysis of economic development. Prepared and contributed to studies/reports on agricultural development, rural poverty, natural resources management at different levels of analysis (thematic, country, regional, global).
SUMMER 2005	Intern Italian Ministry of Welfare Divisione V: Coordinamento attività statistiche. Carried out economic and quantitative analysis of administrative datasets from the Italian National Institute for Social Security.

EDUCATION

- MARCH 2010 **Ph.D. Econometrics and Empirical Economics**
University of Rome Tor Vergata
Dissertation: *Essays in Health Economics and Development*
Advisors: Prof. Vincenzo Atella, Prof. Laurence Baker, Prof. Daniele Fabbri
- MAR-SEP 2009 **Visiting Scholar**
University of Stanford
- AUGUST 2006 **International Doctoral Program in Health Economics**
University of Lausanne
- SEPTEMBER 2005 **M.Sc. in Economics**
University of Rome Tor Vergata
Essay: *Non agricultural unemployment benefits with reduced requirements*
- JULY 2004 **B.Sc. in Economics, Financial Markets and Institutions**
University of Rome Tor Vergata
Thesis: *Poverty in Fascist Italy: Estimates for a microeconomic analysis*
Advisors: Prof. Gianni Toniolo, Prof. Giovanni Vecchi

PROFESSIONAL ACTIVITIES

Referee for:

Agricultural Economics, AIMS Agriculture and Food, BMC Public Health, Empirical Economics, European Journal of Health Economics, European Review of Agricultural Economics, Food Security, Global Food Security, Health Economics, International Journal of Technology Assessment in Health Care, Journal of Development Economics, Journal of Development Effectiveness, Journal of Development Studies, Journal of Health Economics, Journal of Health, Population and Nutrition, Journal of Health Services Research and Policy, Journal of Medical Systems, Journal of Rural Studies, Labour, SAGE Open, Social Science and Medicine, Stata Journal, Value in Health, World Development

Presentations at conferences and workshops:

- 2022 | “Understanding risk and time preferences in a context of credit constraints: evidence from a RCT in Lesotho”, Pacific Development Conference (online)
- 2021 | “The benefits of articulating coherent social protection and rural development interventions in Africa”, Latin American Studies Association (LASA) Congress (online)
- 2020 | “Cash Transfers and Women’s Economic Inclusion: Experimental evidence from Zambia”, UNU-WIDER Annual Conference Evidence to enhance inclusive growth (online)
- 2019 | “Evaluating synergies between social protection and rural development interventions: lessons from Africa”, Latin American Studies Association (LASA) Congress, Boston, US.
“Impact evaluation of the Child Grants Programme and the Sustainable Poverty Reduction through Income, Nutrition and access to Government Services”, Transfer Project workshop, Arusha, Tanzania.
- 2018 | “Synergies between Social Protection and Agriculture”, ReSAKSS Conference, Addis Ababa, Ethiopia.
“Protection sociale et décision de migrer: le cas du Sénégal”, Dakar, Sénégal.
- 2017 | “Does soft-conditionality increase the impact of cash transfers on desired outcomes? Evidence from a randomized control trial in Lesotho”, UNU-WIDER conference Public Economics for Development, Maputo, Mozambique.
“One Plus One Can Be Greater Than Two: Evaluating Synergies of Development Programs in Malawi.”, Pacific Development Conference, Riverside, US.
- 2016 | “Gender Differences in Child Investment Behavior among Agricultural Households: Evidence from an Unconditional Cash Transfer Program in Lesotho”, UNU-WIDER Symposium. The Political Economy of Social Protection in Developing Countries, Mexico City, Mexico.
- 2015 | “Impactos productivos de los programas sociales de transferencia de efectivo en África subsahariana”, Taller Presencial: Pobreza rural, seguridad alimentaria y Sistemas Inclusivos de Protección Social en Mesoamérica, Mexico City, Mexico.
“Impact of Cash Transfer programs on Food Security and Nutrition in sub-Saharan Africa: A Cross-Country Analysis”, Global Food Security Conference, Ithaca (NY), USA.
“Impact of Social Protection and Agriculture: Child Grants Programme (CGP) and complementary support”, Dissemination Workshop, Maseru, Lesotho.
- 2014 | “Pathways to Graduation: is graduation from social safety nets possible and why? Evidence from sub-Saharan Africa”, Graduation Conference on Social protection, Kigali.
“The Impact of the Zambia CGP on household economic activities and livelihoods”, CSAE, Oxford.
- 2013 | “The Impact of the Zambia CGP on household economic activities and livelihoods”, Transfer Project workshop, Chaminuka, Zambia.
“The Impact of cash transfers on productive activities and labour supply. The Case of LEAP programme in Ghana”, CSAE, Oxford.
- 2012 | “Examining variations in provider costs in the hip fracture care pathway”, European Conference Health Economics (ECHE), Zurich
- 2011 | “Have cost-containment policies affected hospital activity? Evidences from a Panel of Italian Hospitals”, XII European Workshop on Efficiency and Productivity Analysis, Verona.
“Estimating the cost of specialised care”, Winter Health Economists Study Group, York.
- 2010 | “Disentangling Unobserved Heterogeneity and Technical Efficiency. Evidences from a Panel of Italian Hospitals”, Italian Health Economists Association (AIES) conference, Turin.

- | | |
|------|---|
| 2009 | “Frequentist and Bayesian stochastic frontier models in Stata”, 6 th Italian Stata Users’ Workshop, Florence.
“Technical Efficiency, Specialization and Ownership Form: Evidences from a Pooling of Italian Hospitals”, 3 rd Italian Congress in Econometrics and Empirical Economics (ICEEE), University of Ancona. |
| 2007 | “Stochastic Frontiers and Technical Efficiency: Some Intuitions from a Panel of Italian Hospitals”, 16 th European Workshop on Econometrics and Health Economics Master Class, University of Bergen
“Farm and Non-Farm Linkages at the Household Level in Rural Ghana. A consistent stochastic distance function approach”, Workshop on Household-level Linkages Between Farm and Non-farm Rural Income Generating Activities, FAO of the UN, Rome. |

Teaching:

- | | |
|-------------------|---|
| 2020-2023
2014 | Lecturer, Political Economy of Development (undergraduate), LUISS University, Rome, Italy
Summer School on Efficiency and Productivity Analysis Programme, University of Rome Tor Vergata, Italy |
| 2011-2012 | Lecturer, Statistics, Distance Learning Courses, University of York, UK |
| 2006-2007 | Teaching Assistant, Statistics and Micro-econometrics, Master and PhD in Econometrics, University of Rome Tor Vergata, Italy |

Grants and awards:

- | | |
|-----------|---|
| 2020 | National Scientific Qualification for Associate Professor, sectors SECS-P/01 and SECS-P/02 (Abilitazione Scientifica Nazionale) |
| 2020 | Project Grant “Analysis of the effects of public investments in infrastructure on private firms efficiency and productivity”, Italian Ministry of Economy and Finance |
| 2011-2013 | Project Grant 09/2000/47, The National Institute for Health Research Health Service and Delivery Research programme |
| 2005-2010 | PhD scholarship, Italian Ministry of Education |

Seminars and invited lectures:

University of York, University of Rome Tor Vergata, United Nations University Maastricht, National University of Lesotho, University of California Davis, Virginia Tech.

RESEARCH INTERESTS AND EXPERTISE

- | | |
|--------------------|--|
| RESEARCH INTERESTS | Development, labor and agricultural economics, poverty reduction, food and nutrition security, migration, gender dynamics, social protection, cash transfers, school feeding, health economics, laboratory experiments in the field, risk management. |
| EXPERTISE | Impact evaluation, microeconometrics, cross-sectional and panel data, productivity and efficiency analysis, secondary data analysis, data management, household surveys, administrative datasets (registries, hospital records, etc.), scientific paper writing, policy reports/briefs writing |
